Dear Store Manager

As a loyal customer I am requesting that you carry Bright Foods products in your store. I can buy their products elsewhere, but I would love to buy them here.

Bright Foods is a natural food company maker of all-natural, gluten-free Cheese Dough Balls and Cheese Rolls. These products are beyond delicious and are also trans-fat free.

Conveniently packed they come frozen and ready-to-bake.

For more information about distributors in your area please call Bright Foods at 01285 239068 / 07455 267294 or e-mail info@brightfoods.co.uk.

Thank you!
